OPERATION G.I. JANE

Coggins International held the launch party of their new charity, Operation G.I. Jane, in the lobby of the Terminus 100 building on Saturday, October 29th. Hundreds turned out to watch a Special Ops team rappel down the side of the Grand Hyatt while a military helicopter hovered overhead. Now that's a kick-off!

Dressed in their best military-themed costumes, Halloween Hoorah guests danced the night away and bid on silent auction items in support of this great cause. Operation G.I. Jane, located within the Coggins International offices on the 11th floor of Terminus 100, is dedicated to supporting deployed, single mothers in the military.

Holiday Toy Drive

This year CB Richard Ellis will be hosting and Cousins Properties will be sponsoring the Toys for Tots drive at Terminus.

November 14th — December 16th please bring your new unwrapped toy and drop it off in the designated drop box in the lobby of either building.

Thank you, we collected 27 pints in Fridays blood drive!
